

## **ANNEX:** Evaluation of bachelor's thesis in the degree programme of Software Engineering

### **Instructions for the student**

- Send the bachelor's thesis and evaluation form to the supervisor as a single package.
- Upload thesis to LUTPub, see the main page of the library
  - > Publications -> E-publishing LUTPub.
- Remember the maturity test! See eLUT for more detailed instructions.

### **Instructions for the supervisor**

- Submit the original evaluation form to LUT Student Services (tutatdk.opintosihteerit@lut.fi) within one month of the date of submission to the evaluation. The supervisor should be left with a copy of the form.
- It is the supervisor's responsibility to archive a paper version of the thesis, such as exam answers (6 months).
