

Pen displays on the EXAM workstation

The following EXAM workstations are equipped with Wacom Cintiq 16 pen displays, which can be used for drawing and as extra displays.

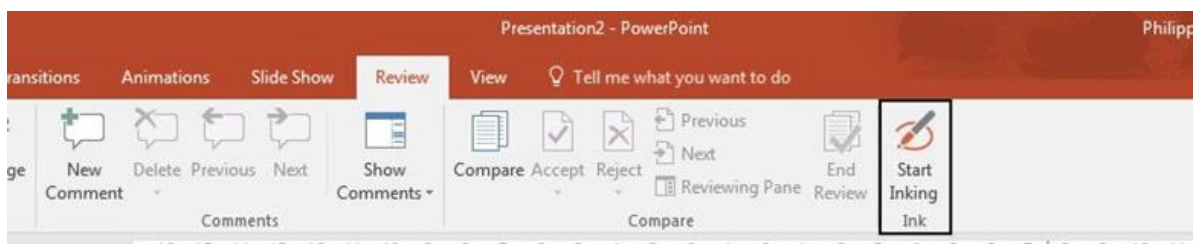

- Lahti, Niemenkatu 73 C, 2nd floor
Workstations: LAB: 1, 4, 5 and LUT: 50, 51, 52
- Lappeenranta, Yliopistonkatu 34
Workstations: LAB: 23, 26, 27 and LUT: 1, 5, 6

The Wacom pen is in the pen holder on the right side of the display. **Remember to place the pen back in its holder once you have finished drawing.**

You can use the following programs for drawing: Paint, Word, PowerPoint ja Excel. Start the program and move it in the pen display to begin.

In the Office programs, select the **Review** tab and click the **Start Inking** button. You can save your drawing as a PowerPoint or a PDF file and then attach the file to the essay question in EXAM.

You will find the pen thickness, color and other settings in the **Pens** tab. Click the **Stop Inking** button to finish.

If you use the Paint program, you can save the image as a jpg file and then use it in PowerPoint, for example.
