

LUT partner university language proficiency requirements, old data from 2022

The information in this document might not correspond with the reality in the academic year 2023-2024. The receiving university might update or change their requirements some months before the semester starts.

The receiving university will guide the students selected by LUT in the matter.

The language proficiency certificate is normally acquired in the intended language of studies.

*The required level is **CEFR B2**, unless mentioned otherwise.*

EUROPE

The Netherlands

In the Netherlands, a certificate in English is needed.

[Eindhoven University of Technology](#) LUT Language Certificate: English

[The Hague University](#) LUT Language Certificate: English
