LUT ACADEMIC LIBRARY: BASICS

- Joint library for LUT University and LAB University of Applied Sciences
- Campus libraries in Lappeenranta and in Lahti
- Both Lappeenranta and Lahti printed materials are available to all LUT students in both cities
- Whenever you have access to campus, feel free to use the library to study, borrow and return loans when it best suites you
- Should you want to meet with the library staff, please see the service hours from library home page or via eLUT

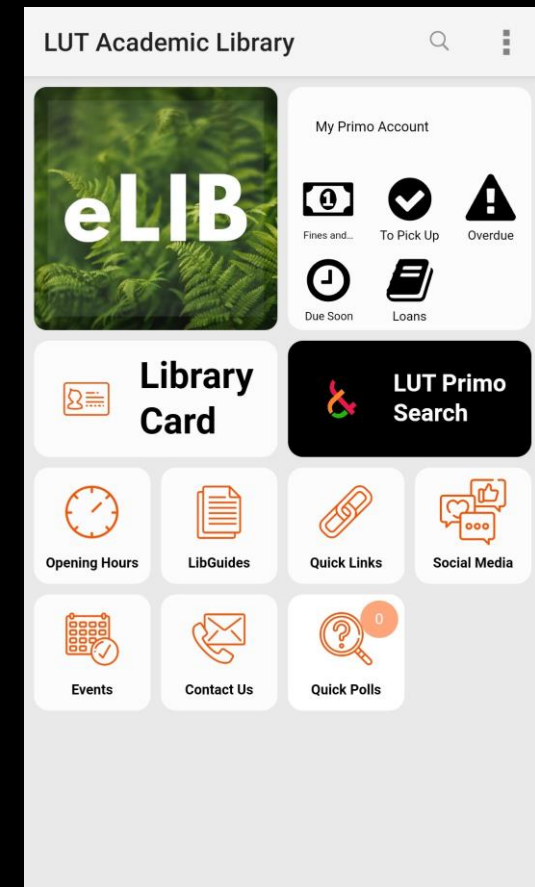

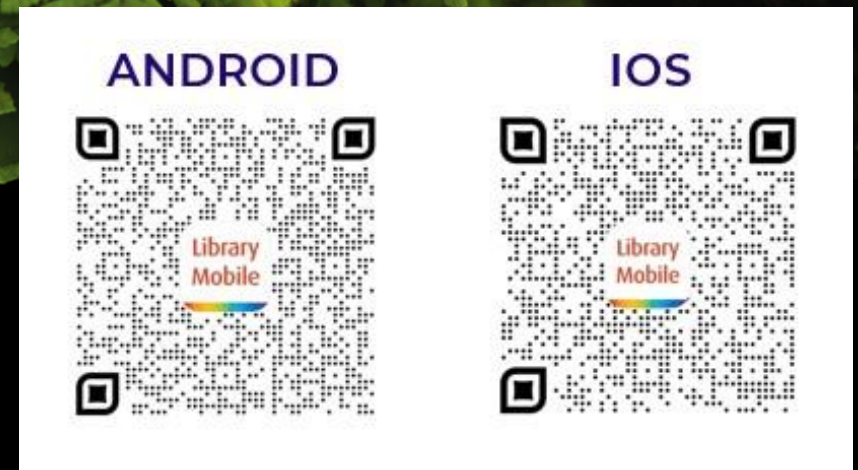

CUSTOMER SERVICE

- Premises & e-mails
 - Lappeenranta:
 - Customer service, borrowing, returns and picking up requests on the service (3rd) floor. [Lappeenranta library premises](#)
 - E-mail to kirjasto.lappeenranta@lut.fi
 - Lahti:
 - Customer service, borrowing, returns and picking up requests in room D246
 - E-mail to kirjasto.lahti@lut.fi
- You have access to the library during the campus opening hours. Outside of library service hours you can use the library self-directed. Access key may be needed.

LIBRARY CARD

- Library card is needed to borrow printed materials
- Students are automatically library customers – no registration needed
- To get a mobile library card, please download Ex Libris Library Mobile application
 - Open the application and use the “Search for the institution” to look for LUT Academic Library
 - Sign in using your university ID
- More information: [Guide to eLIB library mobile app](#)
- If needed, you can collect plastic library card → go to the Library service desk with your passport or other photo ID and ask for the card

INFORMATION SERVICE

Follow us

Welcome to Primo!

LUT Primo provides simple, one-stop searching for books and e-books, articles, databases, and more.

Primo also helps you manage your research. Sign-in in order to:

- Renew your loans
- Make requests
- Create favorites lists
- Export citations to Refworks.

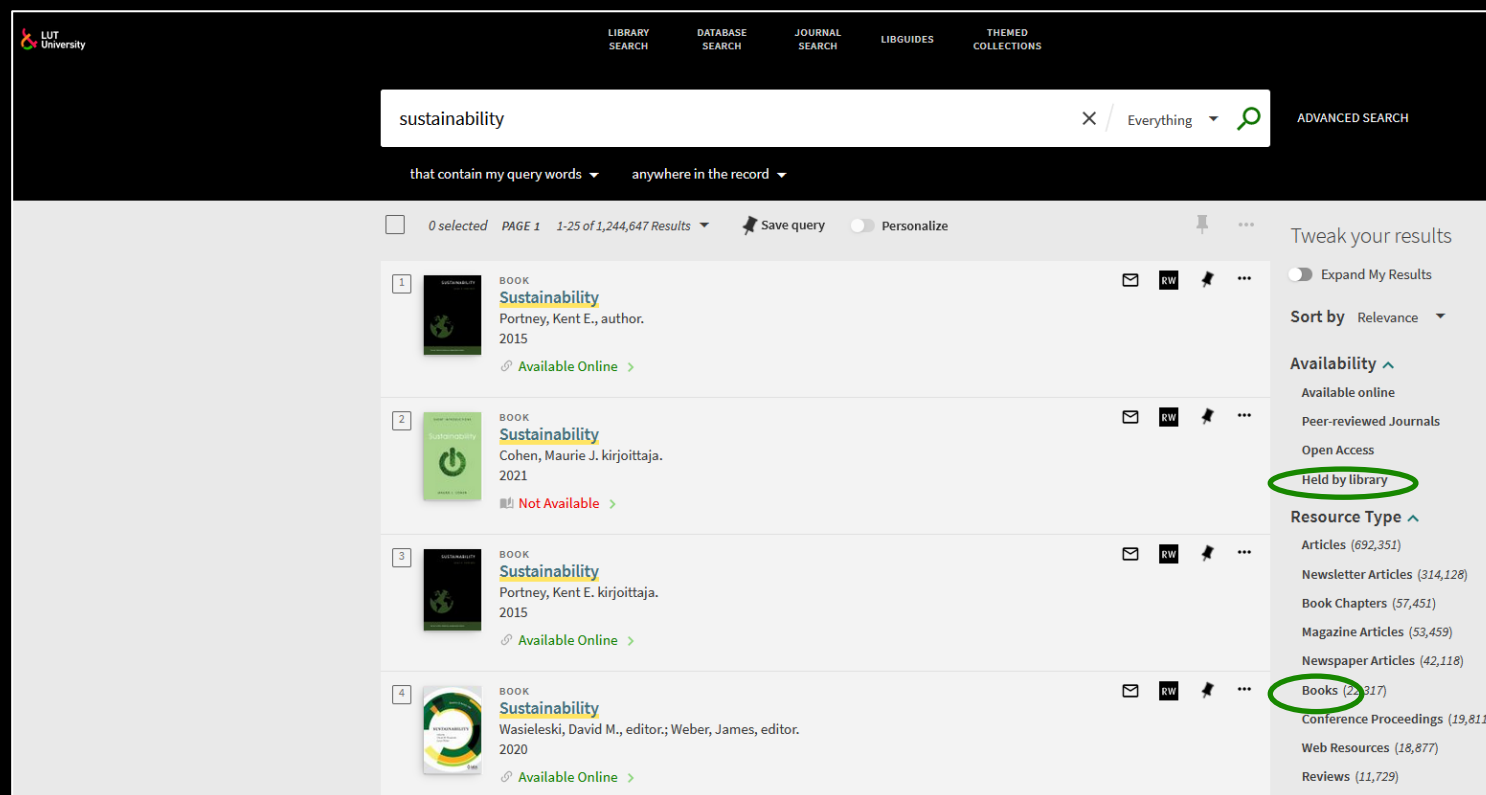

Stuck with your search? [Ask a librarian for help.](#)

LUT PRIMO

- LUT Primo (primo.lut.fi) is the central access point to library resources
- Sign in using your LUT username and password (HAKA login)
- Basic search covers both printed and digital collections
 - Advanced search option available as well
- After the first search, use the “tweak your results” menu on the right side of the page to narrow down search results
- Dedicated searches for databases and journals (journal articles are findable via basic search)
- Renew your loans and make request (also from another campus)
- Please see [Guide to Primo search service](#) for more tips and tricks

LUT PRIMO: FINDING PRINTED BOOKS

- Tweak your results to Books (Resource type).
- Choose Held by library under Availability.

The screenshot shows the LUT PRIMO search interface. At the top, there are navigation links for LIBRARY SEARCH, DATABASE SEARCH, JOURNAL SEARCH, LIBGUIDES, and THEMED COLLECTIONS. A search bar contains the term 'sustainability' with a search icon and a dropdown menu set to 'Everything'. Below the search bar, there are filters for 'that contain my query words' and 'anywhere in the record'. The main results area shows four search results for 'Sustainability' books. The first result is by Portney, Kent E., 2015, and is 'Available Online'. The second result is by Cohen, Maurie J. kirjoittaja, 2021, and is 'Not Available'. The third result is by Portney, Kent E. kirjoittaja, 2015, and is 'Available Online'. The fourth result is by Wasieleski, David M., editor.; Weber, James, editor., 2020, and is 'Available Online'. On the right side, there is a 'Tweak your results' panel with several filters. The 'Availability' filter is expanded, and 'Held by library' is selected and circled in green. The 'Resource Type' filter is also expanded, and 'Books (2,317)' is selected and circled in green.

DATABASES

PAGE 1 99 databases found for LUT

Databases by category

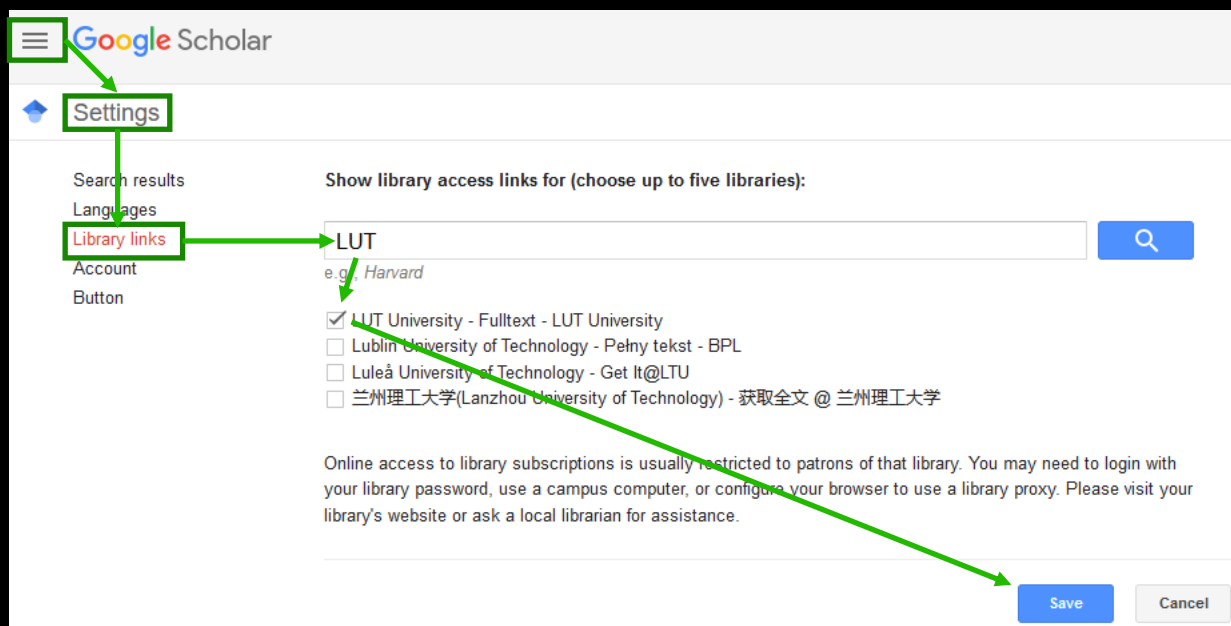

- > LAB
- > **LUT**
- > Database
- > Dictionaries
- > E-books
- > Index Database
- > Journals
- > Open Access
- > Reference Database
- > Standards and Patents
- > Theses

1	ACM - Association for Computing Machinery (LUT) Terms of use: https://libguides.lut.fi/terms/acm Full text articles concerning mainly computing sciences and a reference database with bibliographic references and contents. Available Online >	
2	ACS Publications (LUT) Terms of use: https://libguides.lut.fi/terms/acs Journals of American Chemical Society. Available Online >	
3	Aerospace Database (ProQuest - CSA) (LUT) Terms of use: https://libguides.lut.fi/terms/csa The Aerospace Database provides bibliographic coverage of basic and applied research in aeronautics, astronautics, and space sciences. The database also covers technology development and applications in complementary and supporting fields such as chemistry, geosciences, physics, communications, and electronics. In addition to periodic literature, the database also includes coverage of reports issued by NASA, other U.S. government agencies, international institutions, universities, and private firms.	

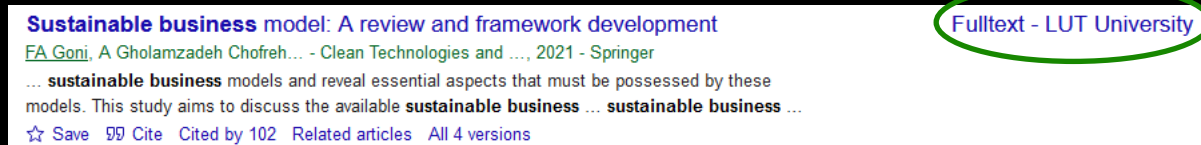

- Use the database search in LUT Primo to access databases
- Browse the database list alphabetically by clicking LUT on the left-hand side menu
- Search for a database by it's name
- TIP! Get to know the citation databases Scopus and Web of Science

GOOGLE SCHOLAR – SCHOLAR.GOOGLE.COM

- Google Scholar can help you find scientific articles, reports and thesis
- Google Scholar locates also articles behind paywall, LUT databases can be connected to Google Scholar via Settings – Library links

The screenshot shows the Google Scholar settings page. On the left sidebar, the 'Settings' menu is expanded, and 'Library links' is selected. In the main content area, under 'Show library access links for (choose up to five libraries):', a search box contains 'LUT'. Below the search box, a list of library options is shown, with 'LUT University - Fulltext - LUT University' checked. At the bottom right, there are 'Save' and 'Cancel' buttons. Green arrows point from the 'Settings' menu, 'Library links' option, the search box, and the 'Save' button.

The screenshot shows a search result for the paper 'Sustainable business model: A review and framework development' by FA Goni et al. The text of the result is partially visible. A green circle highlights the text 'Fulltext - LUT University' in the top right corner of the result snippet.
