

Open your mind. LUT.

Lappeenranta **University of Technology**

WELCOME TO THE RESEARCH UNIVERSITY

What do we do?

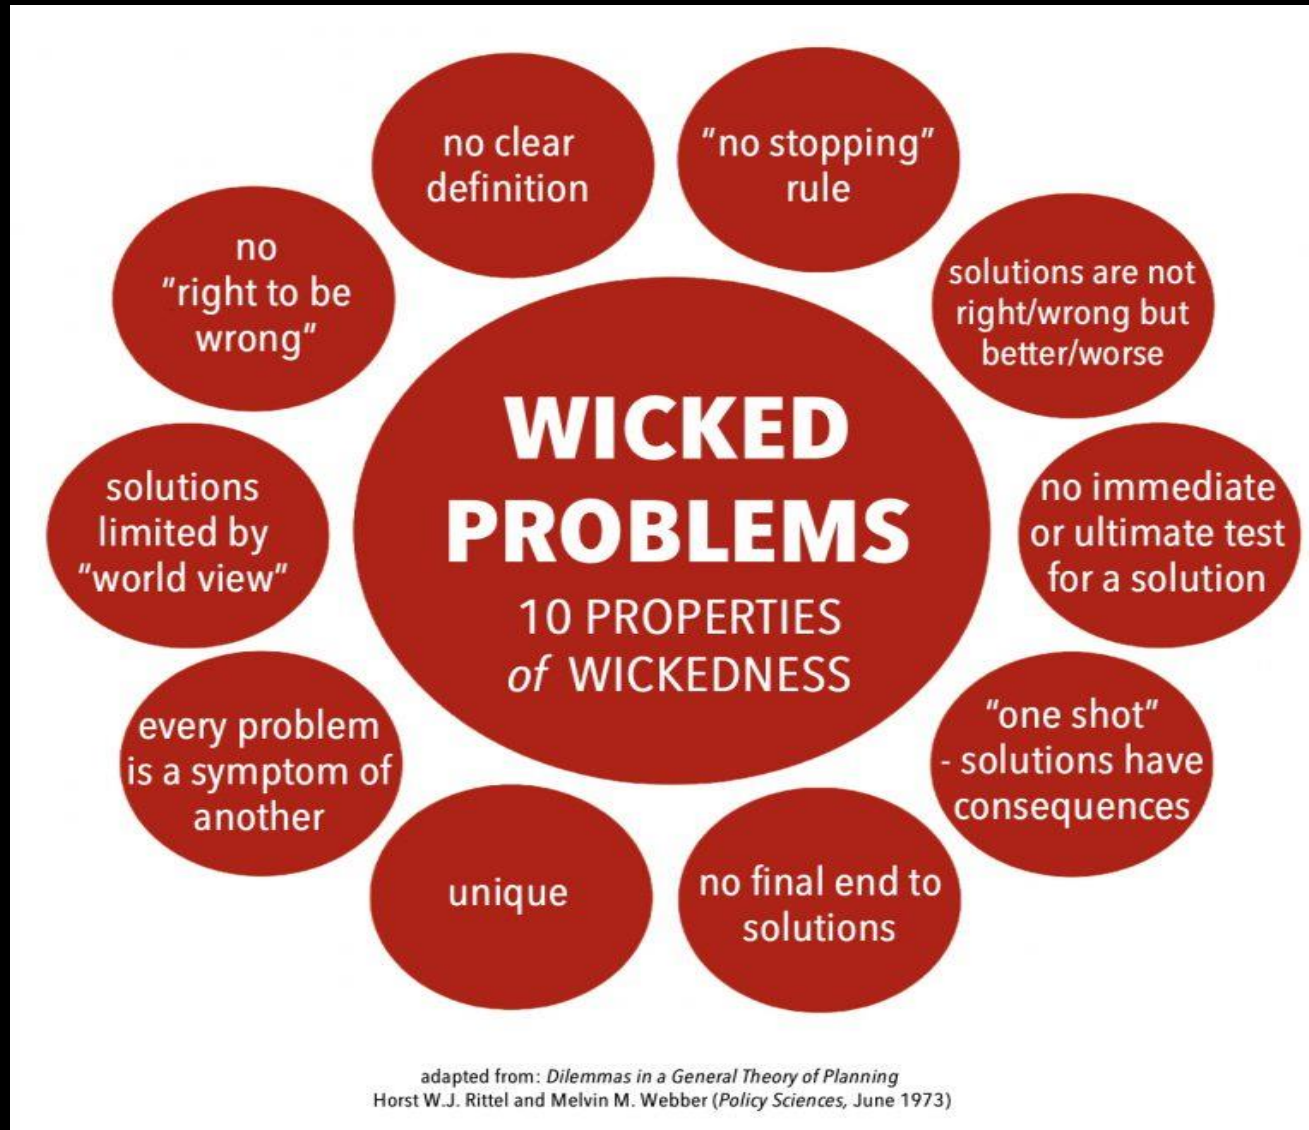

1. LUT is one of the 13 research-based universities in Finland.
2. LUT is a part of the Finnish innovation system.
3. LUT is an active partner of small, mid-size and large industrial and technology corporation.
4. LUT focuses on clean energy, water, sustainable business and circular economy.

LUT responds to the global challenges by empowering individual learning, maintaining ambitious scientific research and enhancing academic collaboration

COMPLEX WORLD AND WICKED PROBLEMS

Open your mind. LUT.
Lappeenranta University of Technology

WE NEED PEOPLE WHO

CAN:

Open your mind. LUT.
Lappeenranta University of Technology

INNOVATORS AND PROFESSIONAL

INTELLECTUAL LEADERS

Academic education 2.0

Open your mind. LUT.
Lappeenranta University of Technology

1. FROM ONE WAY LEARNING TO COLLABORATIVE LEARNING.

2. MULTI-DIMENSIONAL TEACHING AND LEARNING METHODS

3. FROM ANSWERS TO QUESTIONS

4. FROM PROBLEM SOLVING TO PROBLEM SETTING

FUTURE COMPETENCES

**How to collect
information and
data**

How to analyze data

How to process data

**How to disseminate
data**

We need everybody
to join the academic
community and to
engage in learning,
setting and solving
problems

During your stay at LUT:

1. Don't concentrate only on collecting credits.
2. Enjoy the academic atmosphere, buty engage yourself fully in the academic work.
3. Don't try to get through courses easily but challenge yourself.
4. Don't stay at the comfort zone but move out of the box.

WE WELCOME YOU TO BECOME A MEMBER OF
THE ACADEMIC FAMILY
