

LTKY

Student Union of LUT university

Do you remember the 74€ you paid?

It is a membership fee for the best student
community in Finland

Welcome <3

Among university students, there is a student union with self-governance. The purpose of the student union is to act as a bond among its members and to promote their social, societal, and spiritual endeavors, as well as those related to education and the student's status in society.

The task of the student union is to participate in the educational responsibilities of the university as stipulated in Section 2, preparing students for active, aware, and critical citizenship.

University Act Section 46

In plain English:

We are here to ensure that you have everything you need to do as well as possible during your studies and far into the future.
