

LANGUAGE CENTRE

SHORT INTRODUCTION TO OUR LC

- [Video](#)

WHAT IS THE LANGUAGE CENTRE?

- We are responsible for designing language and communication courses at both LUT and LAB.
- We offer a mix of compulsory and elective courses for degree programmes, across several different languages.

IN LANGUAGE CENTRE COURSES YOU CAN LEARN:

- Meetings and negotiations
- Presentations and conferences
- Job hunting skills and networking
- Interaction and teamwork
- Customer service and public relations
- Guidance and training at work
- Information retrieval and analysis
- Use of professionally reliable sources
- Writing for different audiences and purposes

JOIN US TO STUDY:

- Finnish as a second language
- English
- German
- Spanish
- Chinese
- Intercultural Communication
- Swedish
- Russian
- Japanese
- Finnish Language and Communication

WHY STUDY LANGUAGES AND COMMUNICATION?

- Japanese, French, German, Spanish, Chinese, and Russian are all highly valued in global business.
- If you plan to stay in Finland, learning Finnish is key.
- Knowing more than one or two languages is an asset that can help you get ahead at work.
- Good language and communication skills are in high demand in business, and now even more so with the rise of generative AI tools.
- Learning languages helps develop your cognitive abilities, skills, and build confidence.
- Studying languages can help you find new friends.

WELCOME TO STUDY LANGUAGES AND COMMUNICATION!
