THE STUDENT UNION OF LUT UNIVERSITY

**Hi and welcome to Lappeenranta,  
your new home for the next few months!**

The Student Union of LUT University, LTKY, would like to congratulate you on being accepted into your exchange program and give you a brief introduction of us and our activities.

The Student Union of LUT University, like most unions, exists to safeguard its members' rights and guarantee a high level of comfort as well as safe studying conditions. This is done through advocacy towards the university board and Lappeenranta city board. While this work is important and exists in the background of our activities, we are also the upkeep and promoter of an awesome student community and culture!

You will mainly notice us from our foreground activities, such as:

- Our office in the Student Union -building, where we offer free coffee and newspapers to members
- Events throughout the school year, where everyone is welcome
- Trailer renting, board games and other items for loan, read more from our [website!](#)
- [Student identity card](#), which you can use to get student benefits
- An online exam archive for exam revision

If any of these things interest you, do consider joining the LTKY community and becoming a member! The membership fee for exchange students is a one-time only sum (amount depending on how long you are staying here), which grants you the right to your student card and all the other benefits for your study semester.

By paying the membership fee, you become a member of the Student Union. One semester, autumn or spring is 43 EUR and the whole academic year 75 EUR.

You may pay the fee in our online store [ltk.fi/en/shop](https://ltk.fi/en/shop), or by card at the office when you come to the campus.
