

Bold Enough to Think Differently

Thriving in a World of Ambiguity

We've never lived through a time in terms of knowledge work where the employment landscape, the need for humans, has been under such criticism & scrutiny.

THIS IS
FINE

Petteri Rantamäki

Accounting Office Strategist

Father

Mentor

Helping Visma businesses and experts build strong and enriching relationships with accounting firms, becoming the preferred partner in the market.

Start Economics studies at LUT

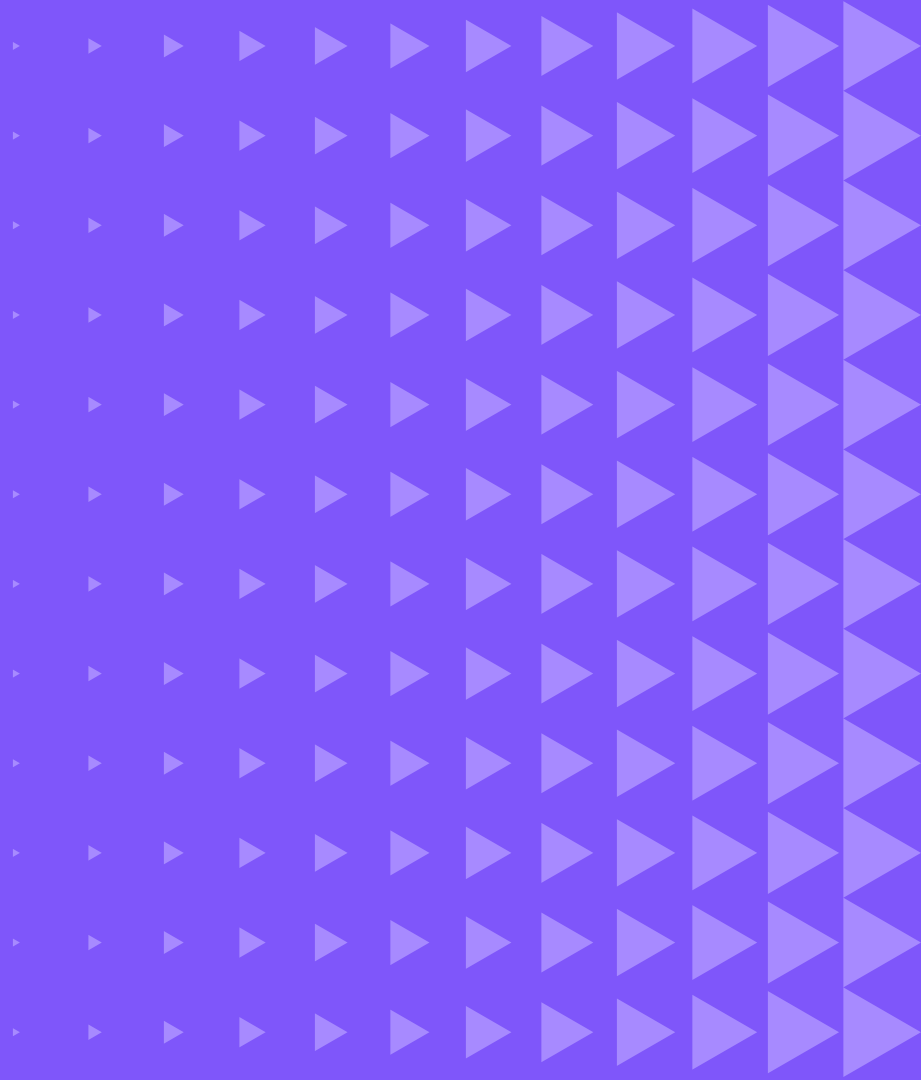

What the old world needed:

Knowledge

Thinking

Analysis

VISMA

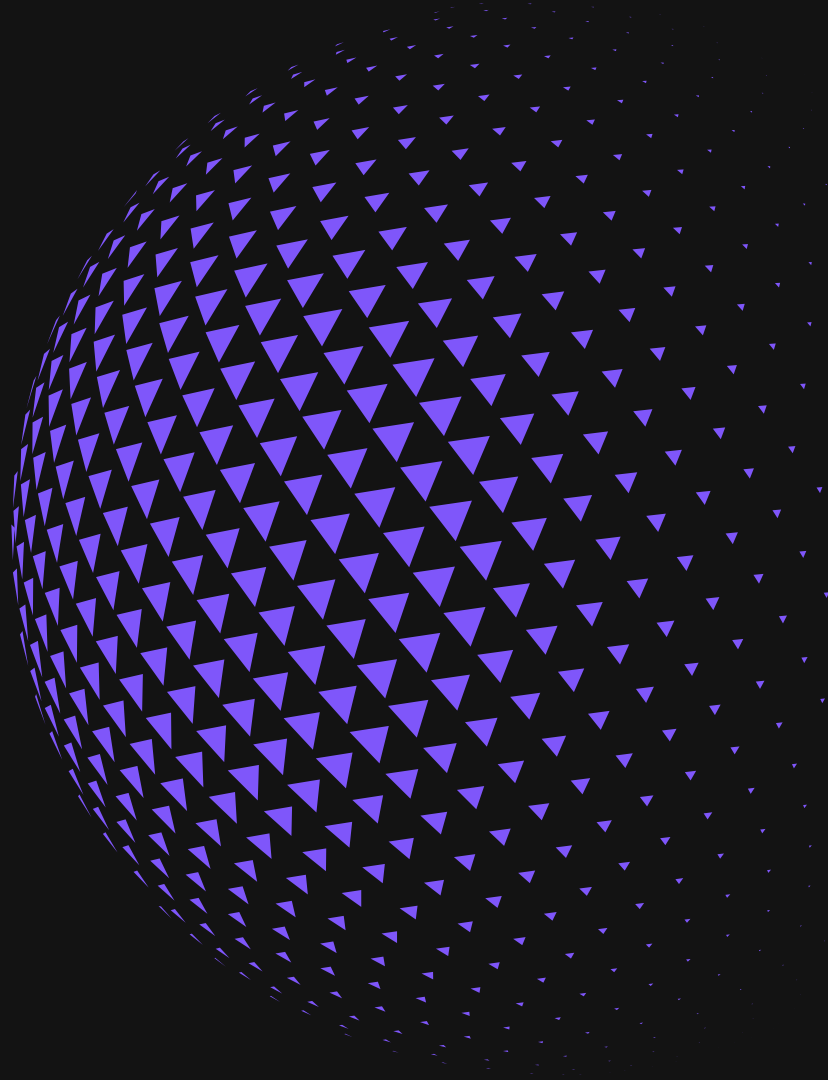

What's hot now and growingly so in the future:

Agency

Execution

Connection

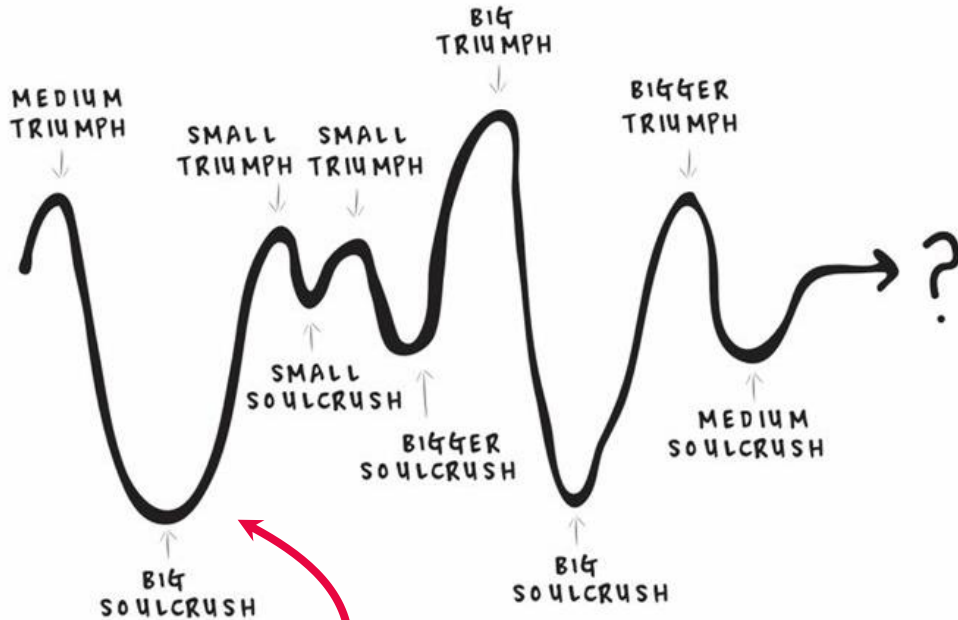

VISMA

LIFE

Are you here?

*Maybe just
about here?*

*Or just absolutely
confused about what's
to come?*

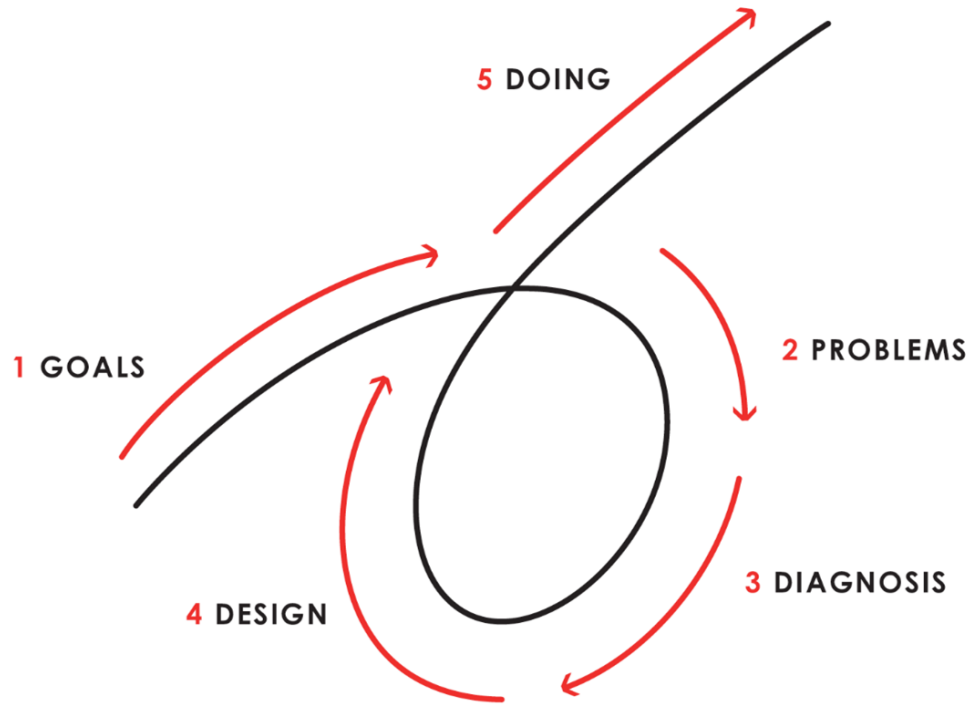

Or here?

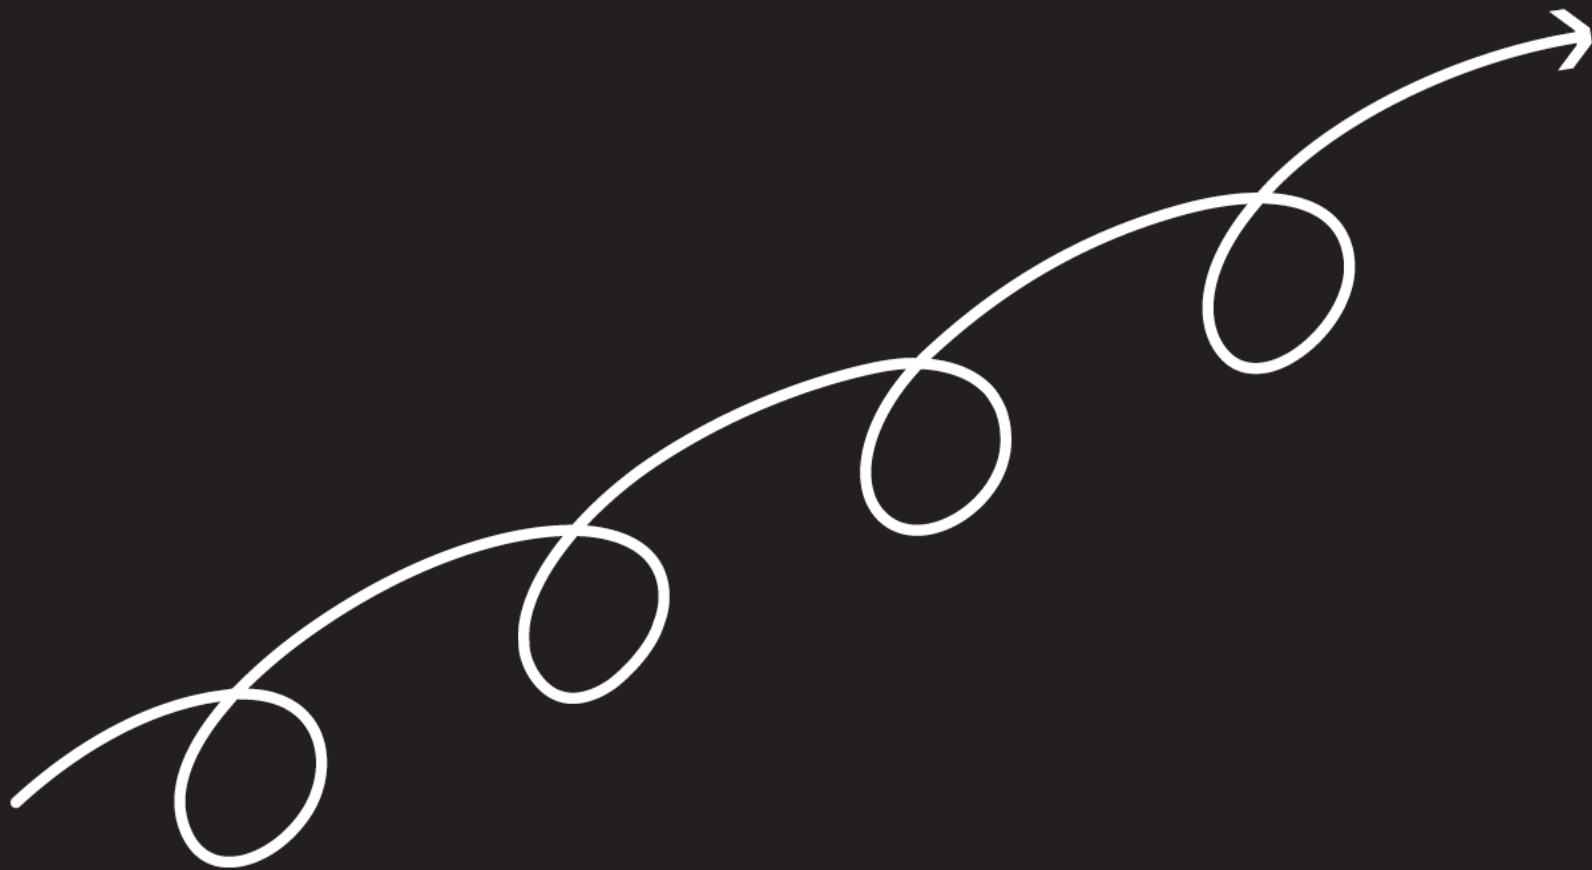

*You trying to figure out
and be smart about...*

*choosing only the best
opportunities in life...*

Principles: Life and Work (Ray Dalio, 2017)

Bold Enough to Think Differently

Thriving in a World of Ambiguity

Bold people act.

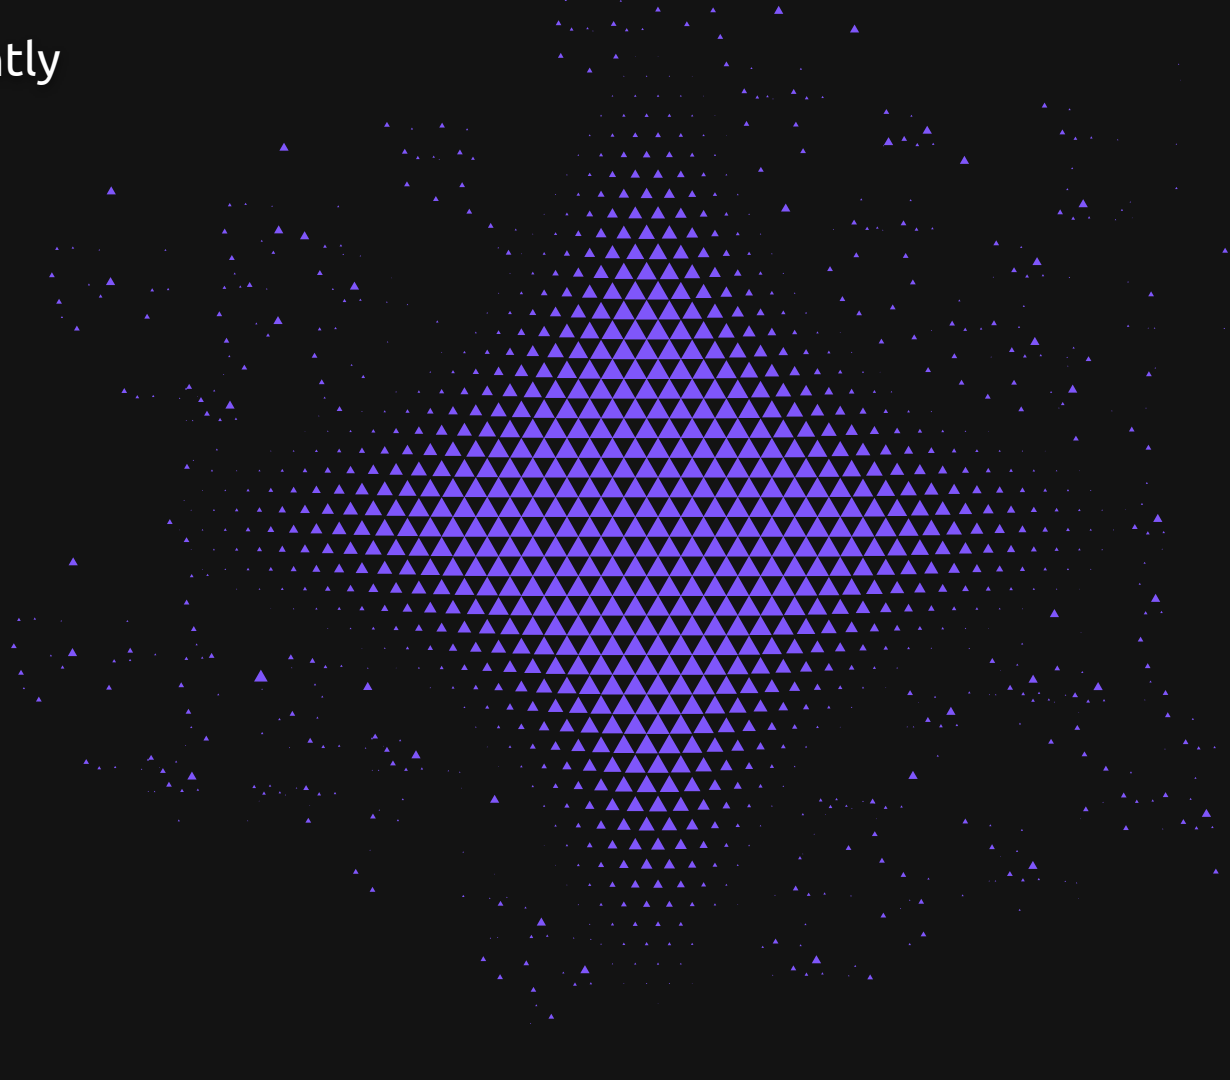

VISMA

Bold Enough to Think Differently

Thriving in a World of Ambiguity

Bold people
encounter
challenges.

VISMA

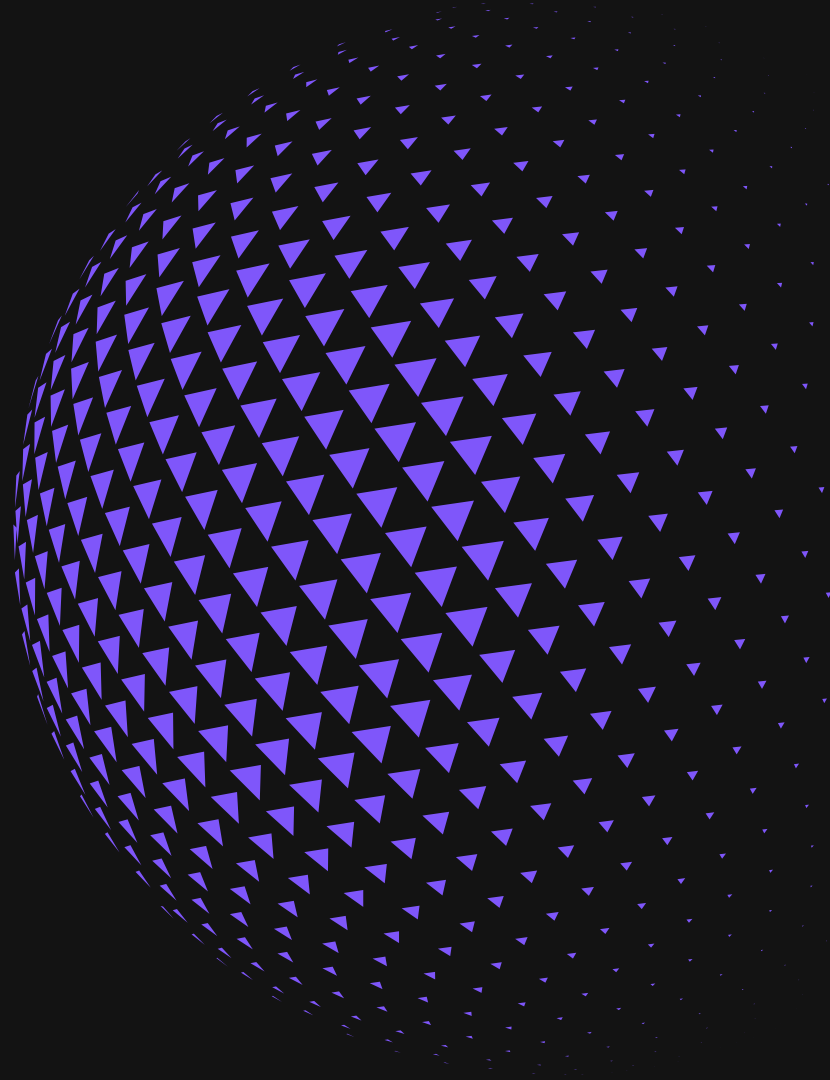

Bold Enough to Think Differently

Thriving in a World of Ambiguity

Bold people grow
where others
perish.

VISMA

Agency

Execution

Connection
